

BUILDING COMMUNITIES - Giving back

Community Partnerships

Eire Constructions, a leading civil construction company, supports organisations with a focus on junior sport, children's education, health promotion, environmental projects and major community events.

We're proud to **build communities and connections** from Newcastle to the Mid North Coast including the Hunter Valley, Port Macquarie Hastings, Manning and Great Lakes and the Macleay Valley.

A SNAPSHOT OF EIRE CONSTRUCTIONS COMMUNITY PARTNERSHIPS

Tastings on Hastings

Major sponsor and event partner

Presented by Port Macquarie-Hastings Council, Tastings on Hastings brings the local community and visitors from across NSW into Port Macquarie to showcase regional farmers, food producers, wine growers, brewers and restaurants.

Luminosity Youth Summit

Regional Sponsor

A three day event bringing high profile presenters to regional New South Wales to inspire young leaders and innovators. Eire funded young people from regional centres to attend and accelerate learning and potential.

Ronald McDonald Family Retreat Forster

Family Retreat Cabin gives seriously ill kids much needed getaway. Eire Constructions generously sponsored Family Retreat Cabin Four at Forster to give children and their families a much needed holiday on the beautiful Mid North Coast. Nearly two hundred families enjoy the Family Retreat each year.

Early Connections

Eire Constructions is helping struggling kids learn to read through our partnership with Early Connections Port Macquarie Hastings. The new Literacy Team launched in 2019 to support children with one on one and group structured literacy.

GUIDELINES

Sponsorship Criteria

Eire Constructions will sponsor community events, activities or projects which **support and strengthen the communities we are part of** through:

- Junior sport
- Children's education
- Health promotion
- Environmental initiatives
- Major community events which have a broad appeal to the local community, particularly families

Your project will be based in the geographic areas we operate including:

- Hunter Region
- Hastings Region
- Manning Valley
- Macleay Valley

All projects will:

- provide construction industry **exclusivity** with no other construction companies in the given event or program
- provide **prominent brand exposure** in media advertising and promotional collateral or **broad community visibility** through the target audience
- provide **strong community benefits** for a reasonable investment.

Eire Constructions recognises the importance of strong communities and social cohesion. We're committed to supporting the local communities we operate in through community sponsorship.

**APPLY
ONLINE**

Eire Constructions will not support projects, initiatives, organisations or events that:

- Seek to raise funds for individuals
- Have a political or religious agenda
- Do not offer significant local community benefits
- Operate outside Eire Constructions geographic footprint
- For profit organisations

Applications between **\$1,000 and \$10,000** are considered.

EASY ONLINE EXPRESSION OF INTEREST

Eire Constructions New 'Applicant Friendly' Partnerships Program seeks **expressions of interest** through a simple online form.

If your expression of interest meets our criteria, a Formal Evaluation may be required to fully assess the proposed opportunity.

Successful applicants will be notified and if necessary, a Sponsorship Agreement will be prepared.

While we review each request individually on its merits, given the large volume of proposals we receive, we're unable to support every request.

An announcement will be made on social media and applicants notified via email.

Three key questions for your application:

- 1) Summarise the project you are seeking funding for in one sentence**
- 2) Describe the project scope and how funds will be used to meet the project aims.**
- 3) Explain how your project addresses a need in the community?**

"Eire Constructions, one of the leading civil construction companies on the Mid North Coast is directly supporting engineers and tradespeople of the future through our Diamond Sponsorship of the Hastings Education Fund."
